“ I'm saddened to hear of your passing. I'll never forget all the stories you've shared throughout the years. The time you took to teach me different nacks of the trade. You've helped so many people in the community & shall never be forgotten. Fly with Angels brother!

“ *Denver and Julie were my daughters care takers for many years while I traveled ! Denver always seemed to enjoy taking the kiddos camping and I was fortunate enough to meet many of his family members whom were always laughing and loving everyone ! He was blessed beyond all measures to have Julie by his side ! I think my favorite memories are of him laughing and going to the An-ti-cue shops !!! 😊 Maggie sends her love & support to Julie !*
RIP Wops... Thank you for all the love you showed to Tiff & Meg
