“ Curt was the love of my mom's (Deborah) life. To this day, she has wondered where he was, how he was doing, and has missed him so over the years since they divorced. Today, I find this. Breaks my heart.

“ I was really sad when I first learned of Curtie's death. I knew him and Steve for a long time beginning with elementary school when we all lived on Pea Ridge Hill in Old Eddyville, KY. I know Pat, Steve and Jeff will miss him.

*My name is Fran and I was online when I came across this obituary. So sad. I was trying to locate Steve, Curtie's brother. Would you have any information on where he is these days? I would love just to contact him and reconnect to share some wonderful memories from the 1970s. Thank you. I share your sorrow, even though he obviously died quite a while ago.*
