“ So sorry for your loss. I knew Dwight many years ago in middle school. We were good buddies. I hadn't seen or talked to him in years until I go on Facebook then we began to keep in touch more often. Really sad knowing he is gone. Prayers to you all.

“ I was so shocked to hear about Dwight's passing. I haven't seen him in a really long time except through facebook. I remember growing up in Eddyville and hanging out with him and his brothers. There were several of us and we would ride our bikes all over that town, through the woods without a care in the world. R.I.P. my friend!
