“ I have so many wonderful memories of Iona and Frank when we cleaned cemeteries or visited by telephone. I never saw her without a smile or open arms except the time she threatened to wipe Bobby Hudson with a switch for getting separated from us when we were cleaning cemeteries. But even with a switch in her hand, she had a twinkle in her eye.

*I know Iona will be missed, but I can just picture her reunion with those she loved in Heaven. I pray the memories of a life well lived in service to God and others comfort all those who love her.*

*Shalom.*
