“ The Heath Dawson family would like to pass on our deepest sympathy. I thought alot of Mr. James. My parents brought me in many a time into th Western Auto store downtown as a cchild. Later as an adult he would come fill up our little candy dispenser for his volunteer organizations of which there weee many. We would stop aandtalk of tha old days when downtown Cadiz wasctheplace to be. I still think of those stories & pass those same ones to my own children. I was blessed to have him in my life for close to 40 + years and proud to say he wasa Friend! God Bless.
