“ My favorite memory was going to Jimmy and Susie's house with Dot and my mom. Dot would make home made rolls and we would eat them on the way. It was always fun to visit with them. It is so sad to think that there is only cousins left and we don't visit like we used to. Rest in peace Jimmy and enjoy your visit with Susie and the kids. We love ya'll.

“ I would like to express my sympathy to all of Jimmy's family members. I have fond memories of him when I was growing up. I especially remember when he was taking Susie to Uncle Nick and Aunt Pete's house to play cards and Susie thought they were both males and Jimmy didn't tell her any different until they got there and she found out that Pete was a lady not a man.

“ Jim was always a special person to me. He would bring me breakfast all the time when I worked at the country club. He always said he ordered too much and couldn't eat all. We are keeping all of you in our thoughts and prayers.
