“ Smitty and I befriended each other soon after he moved to KY. Our friendship was deep. In fact, we were almost like brothers. After several years, we had a falling out, which was truly unfortunate. But after a few years, it was nearly two years ago, I mentioned to him that we should put our differences aside because life is too short. He agreed and we shared a beer..well perhaps a few. He became really close with my son and my son let me know that Smitty confided in him that it meant a lot that we had patched things up. I will never forget Smitty and am a better person for having known him and enjoyed the times we spent together. Rest In Peace my brother. I will truly miss you!!

“ Jeff has been a friend and Classmate since the 3rd grade of school. Always a great guy, and someone that I communicated with daily on Facebook. If we weren't in FB jail. I will miss him, his wit, humor, and loyal friendship. He was 'THE REAL DEAL' . My condolences to his entire family. Wishing that the great times and memories of his life, sustains you in this time of great sorrow. RIP Old Friend

“ Since moving to Arizona, being David's roommate, I've had the opportunity to see Jeff's posts. His observations were bold & spot on, especially regarding politics. Jeff was known for his wit, even back in the day, at Western. I'm so sorry for your loss. God bless.
