“ *My dearest Chandler family, I am so very sorry for your loss. I hope you will find comfort and peace in knowing that heaven has gained another angel. He was one of the nicest people on this Earth and loved his family. I will always remember the times I spent with him in the kitchen as a scrawny teenager and he insisted on feeding me anything that was available and if he thought I didn't like something he would offer me something else. He was always considerate and wanted to make sure you were taken care of. He will be dearly missed. Love you all, The Huth Family - Mark, Dawn, Brandon and Nick*
