“ Mandy my heart breaks for you and your family. I was just thinking
the other day about our mom's and all the things they shared over
us as kids.
Just know God has her wrapped tightly in his arms. I have and will
be lifting your family up through prayer.

“ *RIP Kendra. You will be missed dearly from family and friends. I really didn't get to meet you face to face but I remember when your Mom was pregnant. Go rest high on that mountain.*

Mandy my sweet dear friend. We go way back I'm blessed to still have your friendship. My heart breaks for you. We will never understand but remember God needed another beautiful angel. I wish I could be there but I will in spirit. May you find comfort in God. I've got all my prayer warriors praying. Also remember this isn't good bye to your daughter it's see you later. I love you my dear friend. (Hug)
