“ *RIP Lisa, I don't have words to describe what I feel about all this. I loved you the first time we met & you loved me. You either called us Mom & Pop, or Mama & Dad. We had so many memories together & I will never forget you & the fun we shared. Prayers go out to all the family & pray you will let GOD comfort each one of you during this unbearable time. I love you & will miss you. I will see you again one day. Love you Bettye & Ronnie Davis*

“ Sending Prayer's & the blessings of our Heavenly Father, God is a loving God, and a forgiving God, I am so very sorry for the loss of Lisa, she was a wife, mother, sister, daughter, grandmother. I know she will be missed, and we are left sad because she will no longer be here, with us. But know this, she is at peace, and with all her loved one's who passed on before she did, We will see her again, when it's time.....I hope our Angel, Lisa, is dancing in the sky, Her Father the Lord has took her home, she will never have pain, sadness, again, she is at peace. God Rest Her soul, Amen
