“ I thought a lot of your Mom and Dad. Your momma was such a joy to talk to. She had many talents and I can only imagine how she is adding extra light in heaven. I know you will miss her terribly but she left her mark on earth for all who knew her so she will not be forgotten. Darrell, I will keep you, your sister and your families in my prayers in the days to come. (I didnt hear about her passing until after the funeral.)
