“ Wilma, my love and prayers are with you. I remember the first time Malcolm brought you home to see the family. We all saw how much you loved each other and understood why he left home to start a new life with you. The time the whole family came to help build your home-what a crew that was. My parents, Lester & Verona Russell, always loved to come and visit you and Mud. My husband Pat, who has passed away, came down with Dad and our son Derek to visit with you. They talked about it for years and years. Malcolm was always a special guy-everything he did was memorable. He will be truly missed but not forgotten. God's love be with you. Diana Dillon-Hart
