“Where to start! Nancy was a talented and funny lady! I've known her since I was a child. I've seen her multi-task, she could watch the soaps, watch for customers at the shop,, and keep Sara and me in line! I was at her and Tom's wedding, she wore small blue flowers in her hair. I could go on for a long time with my memories. I hope her family finds comfort in God's word and know how blessed they are to have had Nancy in their lives. I love you all. Sorry I had to be out of town.

“My condolences to all the family and friends. Nancy was such a good friend to my mom (Louise Robertson) through the years. They talked, sewed and quilted for hours. They would sit on mom's front porch and visit all day. She was such a blessing!!! Sandra
