“ *I was so sorry to hear about Norma's passing.*

When I was young my mother passed away and Norma was so very kind to me and my family. I will never forget how very sweet she was. I haven't seen Norma since 1968 but had the chance to talk to her a few years ago and tell her how much I appreciated what she did for me as a child and that I remembered her kindness and had a chance to thank her personally.

My condolences to her family! She was a very special lady, indeed.
