“ *Jennings & Lane Family, I did not know about Paulette's death until after she was already buried. I don't get the newspapers so I never hear about a death until it's to late. I want to express my deepest Sympathy to you all, I never got to meet Paulette or her siblings. I did get to meet their mother Mary some years back when my mother & I went to Mary's house for a visit. To clarify my relationship to the family, Luther Randall Jennings was my Grand Uncle as his sister Sarah Lovie Jennings Yates was my Grandmother. I have been trying to locate the sibilings of Paulette but have had no luck. So please if you read this message I would love to connect with you all. God's Love & Comfort surround you all!*
