“ I knew Phil through aviation as well. I have many fond memories of him during the ‘80’s at KY Dam Airport In Gilbertsville. Funny, he seemed older then. I was 20 and he was maybe 35. Time passes quickly.

“ I knew Phil through aviation. I flew with him several times in airplanes ranging from a Cessna 150 to a King Air 200 and he was always a pleasure. My wife will miss his familiar phrase when he would call my house and I wasn’t home. When she asked if she could take a message, Phil would always say, “No, I just wanted to holler at him!”

*Blue skies and tailwinds, Phil!*

He would also ask when he called our house “Is Donnie around handy?” I sure miss him, he taught me lessons in aviation I’ll never forget.
