*I just read this sad news. I had not seen Randall in years, but he was one of my favorite friends growing up in Old Eddyville. He was such a delight to know. We were born a week apart. And...boy, could that kid shoot pool! God bless you Randall, and I hope there is a little Old Eddyville over there on that blessed shore.*

*This fellow was a good friend of mine in the old town of Eddyville. We had many good times as youngsters around the age of 8 or 9. At the time, his family lived in "Noah's Ark". Probably the last time I saw him was in the high school. He was indeed a "good guy".*
