“ It breaks my heart that Roxanne is gone, that beautiful little girl that played with my little girl and was such a joy to all of us, especially her grandparents and Millie and Floyd. They are up there now trying to spoil her I am sure. Love you Roxanne. and I will remember the good times. Rest in peace.

“ I had so much left to say to you....I love you with all of my heart, Mom. Not a day goes by that I don't think of you and wish that things could have been different. It's so hard to look in the mirror everyday and see your face looking back at me knowing that you never wanted to be a part of my life, yet that is the one thing I wanted so much, for you to want to be my mom!!! To choose me, Christy and Jenn.....Did you think we didn't need you? Every little girl needs their mom. Guess now we will never know.....All has been forgiven and I love you. I will always miss you.
Your loving daughter-
