“ When my late husband, Harold, and I moved to LaGrange in 1986, we didn't know anyone here. When we saw Wanda at Walmart, he was so excited to see someone he knew from Lyon County. I didn't know her until then, but every time over the many years we saw her at Walmart, she and Harold would catch up (briefly of course, because she was obviously a diligent employee) on Lyon County news. What a joy she was, always friendly and smiling and helpful. I always looked forward to seeing her there. So sorry for your great loss.

“ I have so many wonderful memories of her! We had some truly great times over the years! We shared many tears as well as laughter. She is one of those few friends that come into your life & no matter the time & distance between you, you can always pick up right where you left off. I knew Wanda for over 30 years, & she was always herself! I will miss her dearly! Rest in Peace my friend. Patti
