“ *Bill has been a great friend, we shared a lot of great memories in the outdoors. He love to squirrel hunt better than any of us and usually harvest more than us. Going to miss his present at hunting camp, he was glad to be with us at camp & the dinner table*

Bill was a delightful and fun guy whom I have known since he was in law school at the University of Kentucky. He loved outdoor life and loved going to the cabin with his brother Burton who was such a good brother to Bill! My deepest sympathy to his family daughter Paige and granddaughter Maddie and sister Jane and brother Burton and Cathy! He will be so missed!
